

Write Around #4

Please read and respond to the following quote. Your response should explain your interpretation of what the quote means, why it matters, and any opinions (do you agree or disagree) or feelings you have after reading it. Feel free to include any personal connections you can make with what he is saying. You may also respond appropriately and respectfully to your group members' responses. **Be CLEAR with your responses, the more information the better!**

"False words are not only evil in themselves, but they infect the soul with evil." - Socrates
